PosBrowser is proud to be Fully XchangeIT Compliant, which means that all of XchangeIT's services are available to our clients!

XchangeIT's range of services makes it easier to manage magazines and other stock and is a valuable tool to help save money in the business. These services currently include:

- Electronically receive invoices for magazines, cards and other stock
- Reconcile returns with what the supplier has credited
- Easily identify and manage products which are over or under supplied
- Easily & quickly submit returns for magazines
- Achieve Gold Status with Are Direct which allows for No Physical Returns of magazines
- PosBrowser's "Quick Invoicing" allows for multiple invoices to be received at once
