TRANSACTION DETAILS DIRECT EDIT

The screenshot displays the POS browser interface. At the top, it shows 'Register No 01' and the date 'Fri, 21 Nov 2014'. Below this is a table with columns for 'X', 'Price', 'Qty', 'Discount', 'Description', and 'Total'. The table contains three rows of transaction data:

X	Price	Qty	Discount	Description	Total
1	\$ 10.00	1	\$ 0.00	STOCK ITEM 1	\$ 10.00
2	\$ 5.00	1	\$ 0.00	STOCK ITEM 2	\$ 5.00
3	\$ 20.00	1	\$ 0.00	STOCK ITEM 3	\$ 20.00

A red arrow points to the 'STOCK ITEM 3' row. A 'Price Override' dialog box is open, showing 'Select Item to Override' with a table:

Line	Price	Description
3	20.00	STOCK ITEM 3

The dialog also shows 'Set New Price to' with the value '20.00' and a numeric keypad. At the bottom of the dialog, there are 'Ok' and 'Cancel' buttons, and a checkbox labeled 'Make this a Permanent Price Change'. The background interface includes a 'Help' button, 'Pay Out' button, 'Hold' button, 'Search' button, and a 'Pay by' button. The eifpos logo is visible in the bottom right corner.

Below the register, there is a 'HEAD THIS' section with the following text:

ABN: THAT IS WHERE I LIVE
Ph. 0369512164
Fax 03945145641

TAX INVOICE
21/11/2014 11:36:31AM
For Customer
TEST CUSTOMER
1 TUCK
MOURABIN 5189

Description Qty Price Total
STOCK ITEM 2 1 5.00 5.00
Total 5.00
Total of Purchase 0.45 5.00
Includes GST of

Audit #296000000003, R1, Served by [AA]
THAT IS WHAT YOU GET TO SAVE
MONEY AND SHOPPING HERE. EVERYTHING HERE
IS CHEAP

Direct select transaction editing allows staff one touch access to the tools that:

- Change price
- Change Description
- Change quantity
- Set discounts

As long as the staff member who is using the register has the applicable security level to process the task, editing transaction details are as simple as touching the detail you want to change.
